Our Lady of the Snows School

January 30, 2012

Our school started Catholic School's Week with the 10:00 Sunday Mass and an Open House. This was the first of many activities for the week.

The school is having a food drive throughout the week to replenish an almost empty food pantry. Everyone is asked to bring some imperishable food items for the church pantry by Friday. Your help is appreciated.

We will walk to Vittum Park on Tuesday at 9:30 to see a volley game between the students and teachers. We will return before 12 noon for lunch. The children are asked to wear the school colors of red and black or the gym uniform.

The school is collecting care items for the troops which are due Wednesday. Playing cards, puzzles, and books are a few of the suggested items. We are also celebrating our 100th day of school.

Parents are invited to come in Thursday and talk about their vocation. Contact us if you can join us. We will love to hear from you.

Friday is Teacher-Student Appreciation Day. Our 5th grade buddies will join preschool on the playground. We are also playing some of our board games with them. The FSA is sponsoring a luncheon for the teachers from 12:30 to 1:30. We need at least 2 parent volunteers for the classroom while the teachers are at the luncheon. Contact us if you are able to help.
