

# Preschool New

## **Our Lady of the Snows School      February 6, 2012**

The children participated and enjoyed many Catholic Schools Week activities. We are thankful for the parents who volunteered in the classroom while the teachers enjoyed lunch sponsored by the FSA.

Preschool is planning a field trip to the Museum of Science and Industry on Wednesday, February 29. We will visit the Idea Factory and the Ants exhibit. The Baby Chicks Hatchery is also a favorite on our visits. We hope you plan to join us. The permission slips will go home this week. Please return them as soon as possible so we can complete our plans.

Friday is Hot Dog Day. Order forms are to be returned by Thursday. Please provide lunch from home if you are not ordering this picnic lunch as there is no Hot Lunch Program on Friday.

We are celebrating Valentine's Day on Tuesday, February 14. Please help your child sign the cards, but do not address the envelopes. The children will make Valentine mailboxes to hold the cards they receive from each other. There are 21 children in the Preschool.
