Our Lady of the Snows School

September 19, 2011

This Week

The children received a copy of their “name card” to take home last Friday. We are using the cards to help them identify their names in print. We will point to each letter and name the letter. When your child can demonstrate that he is ready, we will then name the sound of each letter. We will continue to develop letter names and letter sounds according to each child’s pace. At the same time, we will continue to help them develop their fine motor skills so they will be prepared when handwriting is introduced.

What can you do at home? Read to your child every day. Include picture books, nursery rhymes, and poetry. Be certain that your child is able to see the book and pictures. You may want to ask questions or make comments about the story.

We are planning a field trip for next month. Parents are asked to complete their Virtus Training to join us on the field trip. Please contact the office if you have to complete the required Virtus Training. We cannot do field trips without your help.
