Our Lady of the Snows School

October 11, 2011

This Week

We are going to make a zoo book about the animals we want to see on our field trip to Lincoln Park Zoo on Tuesday, October 18th. We are also continuing with our look at animals, including their sounds, movements, and habitats. All permission forms are now due. Some of our parents attended Virus training this past week and others are planning to attend a meeting this week. Preschool is happy to have you join us.

Children are to wear their gym uniforms and should dress for the weather, as we will spend most of the day outside. Everyone is to bring a bag lunch for the day. The children should come to school at the usual time. Chaperones should be at school no later than 9:15 as the buses leave for the zoo at 9:30.

This Friday is Hot Dog Day. If your child is not ordering the hot dog, please provide a lunch from home.

The school is having a collection for breast cancer awareness this Wednesday. Everyone is asked to wear pink and donate a dollar for research.
